We asked the school to research your request because the information you provided did not match any of our records. The school was unable to locate either a degree or enrollment record for the subject of your verification request.

We suggest that you:

- Check that the subject's name, birth date and other personal data are correct.
- Ensure that you have selected the correct school. Many schools are similarly named. Use the location to assist you in your selection process.
- Resubmit your request online at [www.degreeverify.org](http://www.degreeverify.org), if any of the information has changed.

If the subject reaffirms receipt of the academic credential(s), obtain a copy of the degree(s) and fax it to the Clearinghouse at 703-318-4058, along with the Transaction ID for this request. We will work with the school to determine whether or not the record(s) is genuine.
