SUBJECT: Captain's Commendation

TO: Trooper Donnie M. Peterson

I take this opportunity to commend you for your outstanding performance in DWI detection and apprehension during 1979.

Your 33 DWI arrests has made you one of the leaders in this very important field in Division Two.

Our combined efforts in dealing with the drinking driver surely has had an effect on reducing our fatality count in the division by more than 36%. My thanks for a job well done.

CALVIN H. JOHNSON, Captain  
Division Two, Salina
